Going back to the Dark Knight's early days in Gotham City: Batman and Robin, Dick Grayson, face down the coldest winter Gotham City has ever seen. A winter so cold that Mr. Freeze, Victor Fries, no longer needs his containment suit to survive; he is in an element where he can thrive. Robin empathizes with Mr. Freeze, all Freeze wants to do is save his wife, Nora—but Batman warns Robin not to give his empathy to Victor Fries. He's a man who decided his own fate a long time ago and he deserves none of our warmth. And this winter... he will show his true wickedness and power. The powerhouse creative team of bestselling writer GERRY DUGGAN (*X-Men*, *Deadpool*, *Arkham Manor*) and MATTEO SCALERA (WHITE KNIGHT PRESENTS: HARLEY QUINN, Black Science) brings you Mr. Freeze's most frigid story yet.

Ricardo Delgado is a master storyteller. His Age of Reptiles graphic novels are universally acclaimed for their stunning detailed depiction of dinosaurs and prehistory. With his work as a storyboard artist and character designer for films including Apollo 13, Avatar: The Last Airbender, The Incredibles, Men in Black, and Wall-e, Delgado is also one of Hollywood's leading conceptual designers. In 2021, he created an entirely new vision in the illustrated novel Ricardo Delgado's Dracula of Transylvania, featuring 20 stunning pages of concepts and designs. The book quickly sold out (look for a trade paperback edition of this book soon!).

Clover Press is proud to present a complete collection of the exotic locations, designs and concepts behind Ricardo Delgado's Dracula of Transylvania in this stunning 200-page hardcover, featuring never-before-seen art from Delgado's world of vampires. Delgado shares his thoughts behind the art, writing about his process and other annotations – a must for any collector of his work, or any die-hard Dracula fan.

A Graphic Novel by

MK-ULTRA SEX, DRUGS & the CIA

“San Francisco, 1971. As the Vietnam War rages, the government wages war at home against the hippy counter-culture. High profile drug trials capture headlines. Seymour Phillips, a headstrong journalist eager to prove himself, discovers key information uncovering a vast drug network. A routine interview leads to a sensational accusation that the man accused of trafficking mass quantities of LSD, works for the CIA.

Seymour is approached by CHASE, an eccentric, paranoid stranger in disguise who claims to be a former CIA operative and have the inside scoop on the CIA/LSD connection. Chase insists that Seymour has only scratched the surface. The two forge a most uncommon alliance in a dangerous and mind-bending quest for the truth behind quite possibly the most bizarre chapter of the CIA’s history.

While most Americans were watching Leave it to Beaver and listening to The Everly Brothers, an eclectic group of CIA operatives were spiking each other’s coffees with LSD, throwing decadent parties and hiring prostitutes to slip unsuspecting johns drug-laced drinks in order to observe every stoned and kinky moment from behind two-way mirrors.
And this was only when they weren’t dreaming up the next far reaching “”official”” application for this new, all-powerful, mind blowing drug - a drug that would ironically fuel the counter-culture over a decade later. Coincidence? Maybe not.”

And this was only when they weren’t dreaming up the next far reaching “”official”” application for this new, all-powerful, mind-blowing drug - a drug that would ironically fuel the counter-culture over a decade later. Coincidence? Maybe not.
Based on actual events, Project MK-ULTRA is a zany, pop-culture laced Alice in Wonderland ride exploring the history of LSD through the eyes of a young, hungry journalist whose life is turned upside down when he’s sucked into the absurdity of the CIA’s most guarded top-secret Mind Control Project.

Picking up from Volume One’s cliff-hanger ending, Volume Two catapults readers into the darkest reaches of this twisted tale as it psychedelically spirals towards a jaw-dropping conclusion - one which will undoubtedly leave readers re-thinking everything they thought they knew about the counterculture of the 1960s and 1970s. “

Adapted as a graphic novel by tenor, director, and writer Alek Shrader, with layout and page design by legendary artist P. Craig Russell (Neil Gaiman’s American Gods), illustrations by the acclaimed artist Aneke Murillenem (Bylines in Blood), and lettering by Hassan Otsmane-Elhaou. This epic hardcover graphic novel features a stunning cover illustrated by Aneke.

Perhaps the most famous opera in history, Georges Bizet’s CARMEN premiered in 1875 at the Opéra-Comique in Paris. The four-act opera, featuring a libretto written by Henri Meilhac and Ludovic Halévy and adapted from the novella by Prosper Mérimée, remains one of the most exciting and popular works in the repertoire. Now, nearly 150 years after its premiere, Arizona Opera is presenting the story of Carmen, adapted as a graphic novel.

In 1984, the unlikeliest heroes emerge at the world's end: a memory-powered loser named Super-Sleuth and the often-held-hostage heroine, Psionica. Reality itself is now threatened, thanks to original series creator Burt Colt, who has broken into this Bronze Age lost classic. He's desperate to whistle-blow the terrible truth behind his erased comics career, even if it dooms his comic book creations…and the universe itself!

I didn't want to become part of this story. Not like this.
But it was inevitable, I suppose. My objectivity is gone...Somehow, I've lost my grasp on reality, and I've done more than hijack this comic. Now...
...I'm inside it.
I know what this means, of course. I've gone completely insane. But even so, I can still do what needs to be done.
My name is Burt Colt. I've made some pretty unbelievable claims here....that I was an artist for a comics publisher called Saga Comics, which no one has ever heard of. But that's not all. I've also claimed that Saga Comics was part of a U.S. Government conspiracy that cost the lives of hundreds of people.
Trapped inside this four-color reality...I now have to prove more than all of that.
I have to prove to everyone... and maybe even to myself... that I exist.

You ready for the truth yet? Here's part of it, then...
In the end, everything burns. Sometimes, by accident. Sometimes, because of stupid curiosity.
We always open Pandora's Box.
We always press the doomsday button.
You've waited long enough.
A 12-ISSUE SUBSCRIPTION CAN BE YOURS FOR THE HOLIDAYS
Stupid curiosity...I now have the the evidence in my hands. The last suriving copies of Saga Comics. Mailed to me, from an anonymous source. But I know who it was. The bastards.
So they give me what I wanted. Proof.
And just like everything Saga Comics published that year, in '84...
They couldn't frighten me to silence. They couldn't take anything away from me, because I have nothing.
...the proof kills.

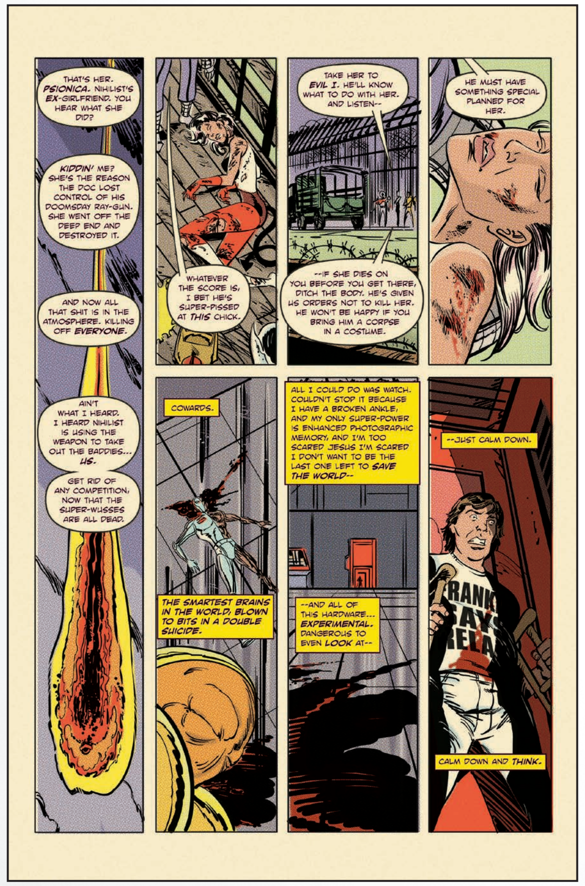
WHAT AM I GOING TO DO...
DREAMING ABOUT THE DAY WHEN YOU CAN SHOW THEM. SHOW ALL OF THEM THAT YOU AREN'T A LOSER WITH A WORTHLESS SUPER-POWER.
NOW, ALL OF THE HEROES ARE DEAD. MELTED DOWN TO SLAG BY DOCTOR NIHILIST'S DESTRUCTO-RAY.
THE VILLAINS ARE ALL THAT'S LEFT. BUT NOW NIHILIST'S WEAPON IS OUT OF CONTROL AND KILLING THEM OFF, TOO.
AND SOON... EVERYONE ELSE.



THAT'S HER. PSIONICA. NIHILIST'S EX-GIRLFRIEND. YOU HEAR WHAT SHE DID?
KIDDIN' ME? SHE'S THE REASON THE DOC LOST CONTROL OF HIS DOOMSDAY RAY-GUN. SHE WENT OFF THE DEEP END AND DESTROYED IT.
AND NOW ALL THAT SHIT IS IN THE ATMOSPHERE. KILLING OFF EVERYONE.
AIN'T WHAT I HEARD. I HEARD NIHILIST IS USING THE WEAPON TO TAKE OUT THE BADDIES... US.
GET RID OF ANY COMPETITION, NOW THAT THE SUPER-WUSSES ARE ALL DEAD.
WHATEVER THE SCORE IS, I BET HE'S SUPER-PISSED AT THIS CHICK.

Welcome to the bizarro world of Robert Nunn, a welder from Missouri whose 70s self-published comics EARTHMAN & TORCH have been rediscovered as outsider art. Born of wholesome comics strips by way of Satanic Panic tracts, this pairing mashes vampire space horror with the adventures of an evangelical scare-mongering superhero.

A new union is formed as Giaris and Leonidas work together to defend Sparta from enemy invaders. So consumed in matters on the battlefield, the two are unaware of a traitor in their midst. As they lead a Spartan war party to cut off an invasion force, Giaris and Leonidas are ambushed as they have been unknowingly betrayed. If these impending invaders are able to stop Giaris and Leonidas, will Sparta fall next?

Everything has led Wren to this moment. Every nightmare and loss she's survived have brought her face-to-face with the man who imprisoned her family within Blink, never allowing a soul to leave with the exception of Wren who slipped through his fingers. But her return has brought other consequences and something has woken up. Something apocalyptic that was waiting and calling to her throughout all those years. The one with eyes everywhere and the reason behind it all. She was never supposed to come back.

Blockbuster action star Ron Radical has quit his acting career to become an artist, and he's feeling a little insecure about his big debut. Pink Lemonade is a good friend, of course, and makes an appearance at the opening to support him. But things get a little weird when the mind-bending gallerist Cyan Magenta shows up leading to a showdown between TWO Pink Lemonades?! It's a true battle of the id as PL struggles to define herself in the face of an obvious pretender! Continuing the colorful Indy comics sensation with another amazing adventure. Don't miss it!

If Penny Brighton didn't have bad luck, she'd have no luck at all. She lost her job and apartment on the same day, and with no other options, she started crashing at her best friend Helen's storage unit. As a last resort, Penny snags a job at the laundromat, which is managed by Helen's surly twelve-year-old brother. Things couldn't get much worse, but that doesn't keep the ever-buoyant Penny down. After all, she's been sensing boyfriend potential with the cute receptionist at the community center who's been sneaking her in so she can use the shower. Maybe things are looking up! But if Penny knows one thing for certain, it's that luck has never been her strong suit. How long can this last?

In full-color for the first time ever, acclaimed artist and writer duo Yuko Ota and Ananth Hirsh's beloved award-winning comic is back, featuring a new cover from Yuko Ota and colors by Julia Hagerty.

At Westhoff High, pain is part of the curriculum... But so is math, science, and chemistry. However, Wild Rodriguez and her pint-size companions have always had one goal and one goal only as they enter freshman year: to join the the Rocket Rollers and test their mettle in the infamously violent roller derby league. Now, summer draws to an end and tryouts are here! Do they have what it takes to climb the ranks of the derby world, or will their dream just as quickly turn into a nightmare?

Wild discovers that sometimes dreams involve a lot of getting kicked in the face, as well as maybe accidentally getting involved in a blood feud or two. Half roller derby, half professional wrestling, the league is filled with cussin?, spittin? roughnecks like the Cult Catastrophe, earnest athletes the 8-Ball Bruisers, sick freaks Puppy & the Pound, and the elegant-but-deadly Matadors. Becoming a true legend of the derby track like her hero (and occasional helpful psychic avatar) Rosie Rozene involves a lot of physical and...

Scout launches its latest high fantasy title! Twenty years after an epic battle between the world's two Gods, civilization has re-emerged from the ashes of that confrontation. The Gods destroyed each other during the epic fight, their shattered bones raining down below. It is said that these bone shards contain incredible power... if you can find one... if they even really exist. Esper Haddon is sixteen years old and frustrated with her life. She's the daughter of a protective warrior-turned-farmer, but she wishes for something, ANYTHING exciting to happen. However, after she discovers the bone of a God buried on her farm and dark forces come hunting for her, she may soon regret that wish.

The fourth chapter of the notorious Elizabeth Bathory's biopic graphic novel depicts the horrors of the century in which she lived. It was an age of endless religious wars and xenophobia. Men were consumed with fighting for their lands, faith, and ideologies, while the role of women was to give birth and raise more soldiers to perpetuate the wars over abstract ideas. No wonder there was a woman who decided to stop this cycle—and no wonder she was considered mad.

AFTER THE STUNNING SUCCESS OF FEARSCAPE, COMES A DARK INTERLUDE, THE STORY OF—NO! THE ONLY OFFENCE TO LITERATURE GREATER THAN THE LOATHSOME SYNOPSIS IS THE SEQUEL. I WILL NOT STAND IDLE WHILE SOME POOR EXCUSE FOR AN EDITOR MANGLES AND CONFUSES MY STORY, WHICH IS INTACT, PERFECT, AND CONCLUDED, WITH THIS DERIVATIVE DRIVEL. MARK MY WORDS, THIS NONSENSE HAS NOTHING TO DO WITH MY TALE. I AM NOT IN IT. I DO NOT CONDONE IT. AND YOU, DEAR READER, SHOULD NOT BUY IT.

"This Halloween, Z2 Comics and Grammy-winning rock band Halestorm will transform the group's barbed riffs and evocative narratives into sequential art for Hyde Manor, a harrowing descent into one woman's fight with the darkest parts of herself. Twins Brittany and Brianna Winner (the Twin Soul series), artist Sara Scalia, and colorist DJ Alonso weave a tale of the celebrated group as they seek refuge in the titular Hyde Manor—a sprawling gothic estate perched on the remote end of the Oregon Coast.
Celebrating the 10th anniversary of the 2012 EP Hello, It's Mz Hyde and its ensuing LP, The Strange Case Of…, the Hyde Manor graphic novel depicts the members of Halestorm encountering sinister doppelgangers of themselves. Within the decrepit halls of Hyde Manor, mirror reflections independently talk back and photographs transform to reveal sordid prophecies, leading the band to slowly succumb to madness while recording a new album. The tale creaks and twists with doom-filled revelations, perfectly tied to Halestorm's scorching discography."

“Written and curated by PHOO ACTION co-author Mat Wakeham, the book will present the full trajectory of what would become the cult sensation—from the Get the Freebies comic strip first presented in UK magazine The Face from 1996 to 1997, to the 2008 PHOO ACTION BBC pilot and beyond.

Meticulously assembled by Wakeham with forewords that serve as an oral history of the evolving project, PHOO ACTION: SILVER JUBILEE shows the origins of Whitey Action, a cynical teen and potty-mouthed heroine, alongside Terry Phoo, a hapless kung-fu super cop. Born from counter-culture superhero chic and hyperactive pre-millennial angloism, the comic features the pair waging a two-person war against the mutant Freebies gang, led by an outlandish, hysterical crime boss with a basketball for a head.

For the first time, this book will collect the entirety of the 12-part Get the Freebies comic in English, alongside a new cover piece from Hewlett—the first official comic art of Terry and Whitey to celebrate their 25th anniversary. PHOO ACTION: SILVER JUBILEE will also include a never-before-seen introductory comic to a planned second season that was never produced, with a prose novel from Wakeham detailing the rest of the chapters. The novel will feature original illustrations from iconic comic artist Philip Bond (The Invisibles, Kill Your Boyfriend). A treasure trove of unseen development and character artwork from Hewlett presents a definitive and exhaustive timeline of this cult masterpiece. “
